Pharmaceuticals Limited (SSPL) and Bengal Immunity Limited (BIL) were sanctioned by the BIFR on the 31st August, 1994 and the 3rd January, 1995 respectively. The schemes in the case of each of BCPL, SSPL, and BIL are for a period of 10 years beginning from 1994-95. While the Government has met its obligations under the scheme, BIL and SSPL have fallen short of the targets set for them.

(b) and (c) The BIFR in a review of implementation of the rehabilitation packages for BCPL and BIL in January, 1996, directed the respective managements to prepare a perspective plan/revised projections for the next five years. The BIFR also directed SSPL, in a review taken in July, 1996, to prepare the revised projections for the next five years. BCPL management has already prepared and submitted the revised projections to the BIFR. The exercise to prepare the revised projections has not been completed by BIL and SSPL. They have been advised to expedite the completion of the exercise, at the earliest.
